VICTORIA SHI

vshi.github.io

.01
Education

University of California, Berkeley
BA Computer Science
expected May 2016
GPA: 3.58

.02
Software

Adobe Create Suite
Photoshop / Illustrator /
Premiere / After Effects

.03
Languages

HTML5 / CSS3 / Javascript
Python / Java

.04
Experience

**Intern, Udacity
(Jun 2014 -Aug 2014)**

Created assets for web development and mobile app development courses that are currently in use by hundreds of students.

- Intro to iOS App Development with Swift course: mobile interface, buttons, and icons.
- Intro to HTML and CSS course: website layouts.
- Networking in iOS course: mobile interface and buttons .

**Designer, Innovative Design
(Jan 2013 - present)**

Provided branding and other design assets, including logos, web design, pamphlets, flyers, and more, to a variety of off- and on-campus groups.

- Cal Lodge: branding, including logo and entirely redesigned website.
- UC Parking and Transportation: 30-page information booklet.

**Illustrator and Designer, CS10
(Jan 2013 - present)**

Created assets for the course's launch on edX, including banner designs and illustrations of course concepts for labs; class size is currently 300+ students per semester and will soon be available to thousands.

.05
Honors

Regents' and Chancellor's
Scholarship Association /
Upsilon Pi Epsilon /
National Society of Collegiate
Scholars /
National Society of Leadership
and Success (Sigma Alpha Pi)
